

No student may be permitted to count toward the completion of the requirements in his or her major, minor, or concentration any grades below C-, including those courses in the major or minor field which are part of the general education requirements.

The program coordinator for a student's major, minor, or concentration, ordinarily in consultation with the professor of the course in which a student has earned a grade below C-, may authorize the substitution of another course or a special examination for any courses in which a D has been earned.

Some programs may have more stringent requirements.
